Re: Mosquito Fogging in Tipp City

FOR IMMEDIATE RELEASE

The City of Tipp City will fog the community for mosquitoes on May 16th with a rain date of May 17th, including City Park & Kyle Park. The fogging in the residential and downtown areas will be performed over the City streets. A second application will be done on May 25th with a rain date of May 26th. A third application will be done on June 21st with a rain date of June 22nd, followed by the fourth and final fogging on June 29th with a rain date of June 30th. The mosquito fogging will begin at 9pm and conclude by 3am on the days stated, beginning on the western side of the City and proceeding easterly fogging the entire community.

Residents are advised to avoid direct contact with the fogging mist and to close house and automobile windows. If rain or wind conditions prevent fogging, the City will reschedule the applications. Additional fogging may occur later if needed. Any questions can be directed to the City Utility/Services office at 667-6305.
