For Immediate Release: Arbor Day/Memorial Tree Program

Arbor Day, April 25th, is approaching, and the City would like to remind you the Tipp City Tree Board established a Tree Memorial Program in 1992. Donors may purchase a tree to be planted in the Thomas B. Kyle Memorial Park. An engraved stone with the honored person's name is implanted beside the tree.

There are a variety of trees donors may select from and an application with the donor information is available at the Economic Development window in the Tipp City Government Center, 260 S. Garber Drive or call 667-6305.

Planting a tree in memory or honor of a loved one replenishes the earth and provides a lasting tribute. Trees are symbols of life and hope.
