DOES YOUR HELMET FIT WELL?

A well-fitting helmet should:
- Sit level on the head
- Isn't tilted backward or forward
- Has strong, wide straps that fasten snugly under the chin
- Is tight enough so that after fastening, no sudden pulling or twisting could move it around

Ohio's Miami Valley area offers an outstanding network of trails and bikeways for its residents and visitors. Over 300 miles of trail connect ten counties surrounding the Dayton region.

Trail users travel past museums and monuments, picnic areas and restaurants, and acres of parkland and gently rolling terrain. The paved trails wind through charming small towns as well as the vibrant downtowns and attractions of Dayton and Springfield.

ABCs OF TRAIL USE ETIQUETTE

A. Show courtesy to all trail users – the trails are public space to be shared, trail users should be respected.
B. "Wheels yield to Heels" – Bikes and 'blades must move at appropriate, safe speeds when sharing the path with walkers.
C. Passing on the trails:
- Pass on the left
- Signal your intent to pass with a bell or calling out, "Pass on your left!"
- The user wishing to pass should be responsible for the safety of the passing maneuver, ensuring their own safety and the safety of users being passed.

D. Pets must be under control at all times. Don't litter, and remove pet wastes.
