Narrative:

CERTIFICATION BY OWNER ONLY!

If the property for which a demolition permit application is made is owned by an individual or more than one individual, all parties who own the property and their respective spouses shall sign all the documents necessary to obtain this permit. The term "Owner" used throughout the documents that are part of this application and permit issuance shall include all owners of the property, but shall be referred to as "Owner". It shall be the owner's responsibility to notify all required agencies, utilities and obtain disconnection notices prior to the issuance of this permit. During the proposed demolition, it shall be the owner's responsibility to maintain the site in a safe and sanitary condition. All demolition debris must be removed from the site, disposed of in an approved demolition landfill, and be in compliance with all Federal, State, County and Local regulations. Upon completion of demolition, it shall be the owner's responsibility to fill and grade the lot in conformance with established street grades, and adjoining property. Provision shall be made to avoid the accumulation of water, rubbish, and all other unsafe and hazardous conditions.

I, the undersigned owner, hereby certify by execution of this application, that the information contained in this application (including any attachments), is true and correct, that I have read and understand Code §94.29 of the Tipp City, Ohio Codified Ordinances, and that I will abide by all applicable laws governing this demolition. I further agree that no substantive change(s) in the project scope and accompanying plans will be made without approval of the City Manager or his designee. The granting of a permit does expressly or impliedly relieve owner from complying with all provisions of any other state or local law regulating demolition or the performance of demolition. Owner, hereby grants permission for the City Manager or his designee to enter onto the property at reasonable times for purposes of assuring compliance with any permits and approvals pertaining to this demolition permit, and in association with the above noted License Agreement. I understand that this Demolition Permit expires 30 days from the date of issuance, and shall be completed within 15 days of commencement of the demolition process, with an additional 15 day extension possible.
