3G Tactical (Rain dates Sun., Sept. 18 or 25)

*All proceeds from this ride benefit the Tipp City
Needy Basket. The check will be presented
during the festival on Sept. 25.*

Boy Scout of America Troop 586 are once again offering everyone the opportunity to join in the celebration of the festival by adopting a mum. The Boy Scouts will be painting mums on the sidewalks and driveways of those wishing to adopt a mum. Cost of a mum is \$10. The mums are approximately 3'x3' and can be painted in your choice of red, white, yellow or a combination. Order forms are located on the official mum festival website: www.tippcitymumfestival.org. •

Capital Improvement Program Workshop

The 5-year Capital Improvement Program (CIP) workshop will be reviewed by City Council on Monday, September 26 beginning at 3:00 pm in Council Chambers. This meeting is open to the public and all interested persons are encouraged to attend. •

Message from City Manager Eggleston

Throughout the year, there are individuals such as a senior citizens, single parents, or a resident that through no fault of their own, need assistance in paying their utility bill and contributing to United Way is one way you can assist them. The City has been working with Deborah Carr, Executive Director of Tipp City United Way in putting a program together in which you may designate your donation to go directly to assisting Tipp City residents in paying their utility bill, especially during the winter months. Any amount will do and your donation is tax deductible. All you need to do as a donor, is let United Way know that you want your contribution to go to assisting Tipp City residents in paying their utility bill. The individual requesting assistance does not receive a check. Any payments go directly to the City from United Way, so you can be assured, that your donation was spent according to your wishes. If you wish to make a donation or find out more about this program, please contact Deb Carr at (937) 669-3863 and she will answer any questions you may have and how to make a donation. Thank you for your consideration. •

Beggar's Night

Beggar's Night for Tipp City and Monroe Township has been set for Monday, October 31 from 6:00 to 8:00 pm. •

Tipp City Leaf Pickup Schedule for 2016

The Tipp City Street Dept. will be starting the leaf pickup program soon. There are a few important guidelines to follow. Residents are asked to rake leaves into the street, 1 foot from the curb, so that storm water will drain. **Please, NO limbs, sticks, bricks, rocks or yard debris should be placed with the leaves in the street.** These items cause damage to the equipment, create down time for repairs, and add delay to the leaf pickup schedule.

Oct. 17 - Oct. 21 and Nov. 14 - Nov. 18

Areas throughout the City as needed. Areas between I-75 and N. Hyatt St. (north of W. Main St.) *No pickup on Veterans' Day, Nov. 11.*

Oct. 24 - Oct. 28 and Nov. 21 - Nov. 25

All areas East of Hyatt St. (north and south of Main St.) *No pickup on Thanksgiving Day, Nov. 24.*

Oct. 31 - Nov. 4 and Nov. 28 - Dec. 2

Areas between I-75 and S. Hyatt St. (south of W. Main St.)

Nov. 7 - Nov. 11 and Dec. 5 - Dec. 9

Areas West of I-75 (north and south of Main St.)

Dec. 12 - Dec. 16

Clean up throughout the City as needed •

Gas Pipeline Upgrades in Tipp City

Crews working on behalf of Vectren will soon begin replacing gas mains and service lines in Tipp City. The project is part of Vectren's multi-year pipeline replacement, or "Bare Steel/Cast Iron" program. Throughout the state of Ohio, Vectren will replace about 700 miles of bare steel and cast iron pipeline with a polyethylene (plastic) system. In 2016, Tipp City will have approximately 75 service lines and nearly one mile of gas main replaced.

Streets affected during this project include: S. First, S. Second, Dow, South, and Broadway. Construction for these pipeline projects may take several weeks to complete, however, prior to replacement, a Vectren representative will contact customers. After gas mains in the right-of-way are replaced, service lines running directly to homes will be replaced. Then all affected yards, sidewalks, and streets will be restored. Visit www.vectren.com/pipelinereplacement to view an interactive map displaying streets where construction will take place.

The City reminds you to please exercise caution when driving through construction zones and urges residents to keep children a safe distance away from work zones. •
