REQUEST FOR QUALIFICATIONS (RFQ)

The City of Tipp City, Ohio is accepting Request for Qualifications (RFQ) from Engineering Firms to design a new Pedestal Water Tower. Interested parties can obtain the Request for Qualification document package at the Tipp City Government Center, or by contacting the Deputy Director of Municipal Services & Engineering, Eric Mack at (937) 667-6305 or via e-mail at macke@tippcity.net.

Qualification packages in accordance with specifications must be received at the Tipp City Government Offices, 260 South Garber Drive, Tipp City, Ohio 45371 by April 21, 2017 at 10:00 am

The City of Tipp City looks forward to reviewing your RFQ submittal and working with the selected team in a successful development of this project.

Eric Mack
Deputy Director of Municipal Services & Engineering
