

Yard Waste

Yard Waste is collected with your trash on your trash day. Special yard waste bags or containers are not required. Yard waste can be comingled with your trash in your container or you can set out up to six bags or bundles each week. Brush must be bagged or bundled and not exceed 4 ft. in length or width.

For large waste items that are not acceptable for disposal at the curb, The City of Tipp City has an agreement with the City of Troy for the use of their [Dye Mill Rd Compost Facility](#). This facility is available for all City of Tipp City residents.

Residents are encouraged to use this facility for large yard waste items that are not acceptable for disposal at the curb. The City hopes residents find this partnership with the City of Troy useful.
