A monthly summary of municipal affairs and activities in Tipp City, Ohio

## Capital Improvement Tax Levy

**R**einvestment in our infrastructure (ladder truck, Fire/EMS station, repaving streets, street projects, etc.) is a priority for Tipp City Council. In October of 2010 the 21-person Citizen's Committee was formed to explore the Capital Improvement needs for Tipp City. The Committee met, reviewed projects, and made a recommendation to place a Tax Levy on the ballot to fund Tipp's needed infrastructure improvements. The recommendations of the Committee are the basis of the city's 10-year Capital Improvement Plan. In May 2011, the voters of Tipp City approved a 0.50% 10-year Capital Improvement Levy. This Tax Levy will raise +/- \$20 million

dollars for needed capital improvements over the 10-year life of the tax levy.

The 0.50% Tax Levy allowed the City to replace the 1975 Mac 75' Ladder Truck with a 100' Ladder Truck. The new Ladder Truck can pump 2,000 gallons per minute and can transport 6 firefighters to the structure fire. The City ordered the Ladder Truck on March of 2012 and it took 9 months to manufacture, with delivery in December of 2012. The Ladder Truck should last for 35 years based on industry standards. ●
