Re: Press Release Immediately

Stop Sign Removal

Beginning June 10, 2022 signage will be put in place at the intersections of 3rd and Plum Streets and 3rd and Dow Streets.

This signage will state that as of July 11, 2022, the North and South bound stop signs at these intersections will be permanently removed. This removal comes from a traffic study that was performed, the result of the traffic study determined these stop signs were no longer warranted.

The City is asking you to be cautious and mindful of the changing traffic patterns in these areas.

End
