Re: For Immediate Release

Commerce Park Drive Road Closure – November 18, 2025

Please be advised that as part of the ongoing infrastructure improvements along CR 25A and due to recent safety concerns with traffic, Commerce Park Drive will be closed effective immediately to all traffic turning eastbound off of CR 25A. Vehicles will only be permitted to turn right (northbound) from Commerce Park Drive onto CR 25A. This closure will remain in effect until the improvement project is completed in late December 2025.

The following is the suggested detour route - • Northbound and southbound traffic on CR 25A will turn onto Harmony Drive, then turn left onto Kinna Drive. Continue on Larch Street, then turn left onto Tweed Drive to reconnect with Commerce Park Drive.

We appreciate your understanding and cooperation as we work to maintain and improve the City's infrastructure. Please use caution when driving through and around the construction area.

End
