

## **TCFES Steering Committee**

Focusing on Our Future

Goal: Governance, Funding & Service Expectations

### **Mission**

The mission of the Tipp City Fire & Emergency Services Department is to provide the highest quality emergency services to all who call upon us for help and to promote good will in our community.

Tipp City Fire & Emergency Services (TCFES) is seeking interested stakeholders. The stakeholder group is to provide input, guidance and strategic planning. The topics are Governance, Funding, and Expectations (see below).

The vision is to have elected officials from Tipp City and Monroe Township, as well as citizens from the City and Township on the Strategic Planning Committee.

The first meeting will refresh or inform all participants on the department's history, current events, governance and budget structure. Future meetings will include:

#### **Service Expectations**

Organizational Goals

Level of care – advanced life support v. basic life support

Response time, NFPA Standards, State Law, ISO, Technical Rescue, etc...

#### **Organization Structure of Choice**

City with Contract Coverage (current), Township or Fire/EMS District

#### **Long Term Funding Source**

Income Tax, Property Tax, Combination, user fees, EMS billing, other, etc...
