

Fire/EMS Station

The 0.50% Tax Levy funded the expansion of the West Side Station to accommodate the 24/7 needs of EMS including: additional EMS vehicle bays, sleeping space for 6 persons, new classroom training space, additional offices, a new kitchen, modified the existing building for the new Ladder Truck, and a new break area. The Fire/EMS station was re-dedicated in a ceremony on February 8, 2014.
