Re: Mosquito Fogging in Tipp City

FOR IMMEDIATE RELEASE

The City of Tipp City will fog the community for mosquitoes on May 15th with a rain date of May 16th, including City Park & Kyle Park. The fogging in the residential and downtown areas will be performed over the City streets. A second application will be done on May 30th with a rain date of May 31st. A third application will be done on June 12th with a rain date of June 13th. A fourth application will be done on June 28th with a rain date of June 29th. A fifth application will be done on July 10th with a rain date of July 11th, followed by the sixth and final fogging on July 24th with a rain date of July 25th. The mosquito fogging will begin at 9pm and conclude by 3am on the days stated, beginning on the western side of the City and proceeding easterly, fogging the entire community.

Residents are advised to avoid direct contact with the fogging mist and to close house and automobile windows. If rain or wind conditions prevent fogging, the City will reschedule the applications. Additional fogging may occur later if needed. Any questions can be directed to the City Utility/Services office at 667-6305.
